

WHAT CAN I DO AS A PARENT?

So, what can parents do to support learning in RE at home?

Be there to talk.

RE lessons often have lots of time for children to talk with their partner or table about ideas. In RE we are not expected to have the answers, just well explained ideas. Some concepts have been debated for thousands of years with no absolute answer. This is one of the times as a parent you can be pleased to not have all the answers, just your ideas and experiences.

Encourage your child to explain their thinking.

Why do you think that? What do you mean by that? I understand your point of view but have you thought of... Can you provide an example to support what you have said?

Use the links on this page, to support your child's learning.

Watch a clip and discuss it or play a game.
