

TRIPLE P ONLINE FOR BABY

Build a positive foundation for your baby, and for you

Support your baby's development, and your own wellbeing

Most parents-to-be and new parents feel a mix of emotions. Welcoming a baby into your life is incredibly exciting, but also has challenging moments. There are positive ways to handle all of this! Triple P for Baby gives you skills and strategies to support your baby's development, communication, and learning. And it also helps you care for your own emotional wellbeing, which is good for your baby, too.

Why Triple P works

Triple P for Baby is part of the Triple P – Positive Parenting Program®, world-renowned and backed by research. You'll get proven parenting strategies to help you create the best environment for your baby's development, with a full toolkit of tips and ideas. And you'll learn effective ways to cope with changing emotions and relationship strains, too. Research indicates that both mums and dads who do Triple P for Baby feel happier and less stressed.

Now, there's Triple P Online for Baby, so you can set your own parenting goals, learning step-by-step whenever you like. It'll help you:

- Promote your baby's social, emotional, and cognitive development
- Be empowered and have confidence in your own choices- different options to cope with frequent crying, sleeping, partner conflict and more
