Sign In

If you haven't created an account, click on 'Create Account'. Follow the instructions on screen. You will need the joining code from a Spelling Shed admin.

When you first log in, you should automatically be taken to 'Account Home'.

The screenshot shows the 'Account Home' dashboard for a user logged in as 'Edshed School (#8) ADMIN'. The top navigation bar includes links for Home, a language dropdown (UK flag), Careers, Store, Get a Quote, Ambassador, Webinars, Blog, Training, Help, a 'Play Game' button, and a user avatar. Below the navigation bar is a search bar set to 'England' and a toolbar with 'test', 'Dom', 'OFF', and 'imitate toolbar' buttons. The main content area features a 'WELCOME CARYS!' message, two 'CHAMPION' badges for Phonics and Spelling, and a 'Quick Start Wizard' button. The dashboard is divided into three main sections: a left sidebar with 'Account Home' and a list of programs (Phonics Shed, Spelling Shed, MathShed, QUIZSHED, LITERACY SHED); a central 'Gameplays by date' section with a bar chart and a 'My Groups' list showing 'Oak Class'; and a right 'Assignments' section listing tasks like 'Phonics phase 3 er as in gerbil' and 'Phonics phase 2 z', with a 'View All Assignments' link.

If you are not taken to 'Account Home' straight away, click on your avatar on the right hand side and then select 'EdShed' or click on EdShed which can be located top left hand corner.

The screenshot shows the EdShed website homepage. The top navigation bar features a row of program logos: EdShed, QUIZSHED, Spelling Shed, Phonics Shed, MathShed, LITERACY SHED, and a 'Play Game' button. Below this is a secondary navigation bar with a language dropdown, 'About', 'Word Lists', 'Leagues', 'Pricing', 'Store', 'Ambassador', 'Support', and a user avatar. Two black arrows point to the 'EdShed' logo in the top left and the user avatar in the top right. The main content area has a large banner for 'The Science of Spelling!' with the text 'The proven spelling scheme with spelling games enjoyed by millions of learners worldwide!' and a bee logo. To the right of the banner are two images: one showing a group of children in a classroom using laptops, and another showing a child at a desk using a laptop.

Locating the Spelling Shed Resources

In the side bar, locate and click on 'Spelling Shed'. You can then use the drop-down box to select the relevant Stage.

The screenshot shows the Spelling Shed website interface. On the left is a side bar with a yellow header 'Account Home'. Below it are logos for 'Phonics Shed', 'Spelling Shed' (highlighted with a black arrow), 'MathShed', 'QUIZSHED', and 'LITERACY SHED+'. Under 'YOUR ACCOUNT' are links for Avatar, Your Details, Change Password, Reported Content, and Guides. Under 'SCHOOL' is a link for Groups. The main content area is titled 'Spelling Shed' and has a navigation bar with links: Scheme, System, Data, Word Lists, SPaG, Diagnostics, Writing Scanner, and Help. Below this is the 'Whole Scheme Resources' section with three cards: 'Spelling Shed and Phonics Shed Medium Term Plan', 'Medium Term Plan', and 'Scheme Guidance'. The 'Progression' section has a 'Select Stage' dropdown menu with options: Stage 1 / Year 1 (checked), Stage 2 / Year 2, Stage 3 / Year 3, Stage 4 / Year 4, Stage 5 / Year 5, and Stage 6 / Year 6. Below the dropdown is a 'List' section with the heading 'Stage 1 Addition Words'.

Once you have selected your year group, you will find the full scheme and separate spelling lesson resources, as well as short cuts to word lists, assignments, hive games and tests.

The screenshot shows a list of spelling lessons on the Spelling Shed website. Each lesson entry includes a title, a 'PHONICS' tag, a step number, and a row of buttons: 'Planning', 'Word List', '+ Assignment', '+ Hive', and '+ Test'. The lessons are:

- Words ending in 'ff', 'll', 'ss', 'zz' and 'ck'** (Step 1)
- Words with the /k/ sound spelled 'k' and 'nk' spelling pattern** (Step 2)
- Words with the 'tch' trigraph** (Step 3)
- Adding '-s' or '-es' to make plurals** (Step 4)

Select 'Planning' and everything needed to teach each lesson will be there. All resources are numbered and referenced in the plans. Homework sheets are also available here.

Assigning a Spelling List to a Child

Look on the left hand side at the menu. Click on 'Assignments'.

The screenshot shows the Phonics Shed account dashboard. On the left, the 'SCHOOL' section of the menu has an arrow pointing to 'Assignments'. The main content area includes a calendar at the top, a 'My Groups' section with 'Oak Class', an 'Assignments' list with items like 'Phonics phase 3 er as in gerbil', and 'Interactive Tools' including 'Letter Tiles' and 'Timer'.

You will be able to access all of your assignments on this page. To create a new assignment, click on 'Create'.

You can create a single assignment, or an assignment set.

The screenshot shows the 'Assignments' page. At the top right, there is a '+ Create' button with a dropdown menu open. The dropdown menu has two options: 'Single Assignment' and 'Assignment Set'. An arrow points to the 'Single Assignment' option. Below the button, there are statistics for 'Current' (0), 'Pending' (0), 'Expired' (0), and 'Sets' (0).

Single Assignment

Give the assignment a title and select the dates you want the spellings to be available for.

The screenshot shows the 'Add Assignment' form with the 'Settings' tab selected. The form has a progress bar at the top with steps: Settings, Type, Task, Pupils, and Teachers. The 'Settings' section includes a 'Title' field, an 'Assignment' dropdown, and two calendar pickers for 'Available From' and 'Expiry'. The 'Task' section is titled 'Assignment Type' and shows a grid of task options: Phonics Shed Game, Phonics Shed Book, Spelling Games (highlighted with a green border), Grammar Arcade Games, Spelling Assessments, SpEd Quiz, MultiShed Fluency, MultiShed Quiz, and QuizShed Lesson. Below the task grid is a 'Word List' section with tabs for 'Scheme', 'Your Lists', 'Favourite Lists', and 'Search'. The 'Scheme' tab is selected, showing a list of stages from Stage 1 to Stage 6.

Select 'Spelling Games'. Choose the task, here you can select the Stage. Alternatively, you can

select a word list from your favourites or one you have created.

The screenshot shows the 'Add Assignment' form with the 'Task' tab selected. The 'Word List' section shows 'Stage 4' selected, with a dropdown menu displaying 'Words with the prefix "in-" meaning "not" - Stage 4 List 2'. Below this is the 'Game Options' section, which includes 'Phonics Mode' (with 'Spell With Letters' and 'Enforce Phonics Mode' options), 'Test Mode' (with 'Test Mode Off' option), and 'Games Required' (with a dropdown menu set to 'Blank for no limit' and a 'Limit options until required games played or Royal Bee achieved?' checkbox). There is also a toggle for 'Allow a mix of grapheme and letter spelling games'.

Select the game options. Choose whether children answer using single letters or graphemes. If this word lists needs to be completed in 'Test Mode' or not. 'Limit options' means that pupils will be limited to only play the spelling list you have set, you can add a number of games required for them to practise before they have access to other games or keep blank for no limit.

Once you have filled in the details, click on 'Save'.

You will then be asked to select the pupils. Click on the children you wish to assign to spellings to. You do not need to press 'save' here as once you click/unclick the child, it will automatically save. You can select your group from the drop down menu. You can also select 'track group' this means that if a pupil comes out of this group they will be removed from the assignment.

Assignment Set

If you want to set more than one assignment for your class, you can select 'Assignment Set'. You will be asked to select a group (your class), a stage (year group) and the date you want the assignments to start.

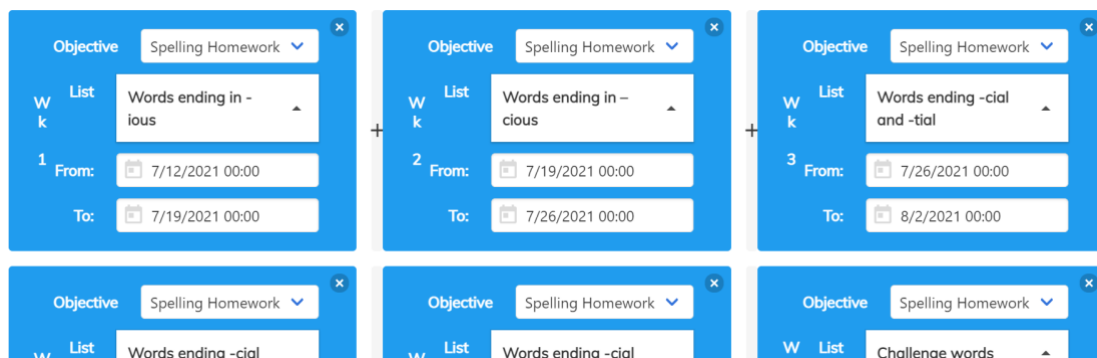

The screenshot displays the 'Assignment Set' interface. On the left, the 'General Options' sidebar includes sections for 'Groups' (with an 'Add Group' button), 'Stage' (set to 'Stage 3'), 'Start date and time' (with a 'Click to select...' button), 'Enable Tests' (a toggle switch), 'Limit Lists' (a checked checkbox), 'Games Required' (a dropdown set to 'No requirement'), and 'Spelling Mode' (set to 'All Letters'). The main area shows a grid of assignment slots. An 'Add Group' modal is open, displaying a table with the following data:

Name	Pupils	Teachers
Oak Class	28	1

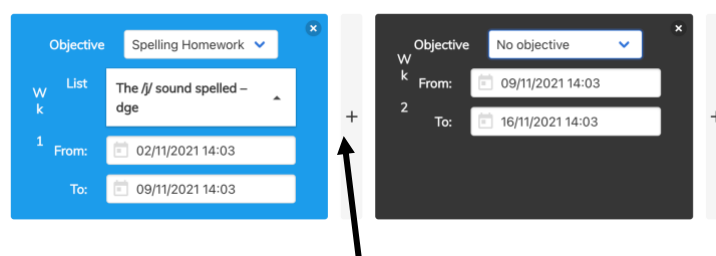

A green 'Assign to Group' button is located next to the 'Oak Class' entry. The background grid shows multiple 'Spelling Homework' assignments for 'Words where the digraph 'ou' makes an /ow/ sound' and 'Words where the digraph 'ou' makes an /u/ sound'.

When you have completed all fields, it will create all the assignments for that scheme of work. It will also assign dates for each week, based on when you chose it to start (7 days per list). This enables you to set all the assignments for a half term in one go, rather than setting an assignment each week.

You can swap the weeks around by dragging them and you can delete a week by clicking on the 'x' symbol on the top right of each week, check that you are happy with the assignments and dates, then click 'Save'.

To add a break in the assignment set for a holiday, click the '+' to the right of the spelling lists, then set the objective to 'no objective'. It will turn black, and the rest of the spelling lists will be automatically shuffled along 7 days. You can also add your own list in here by clicking the list and selecting the one you would like.

These assignments can now be found in your 'Pending' tab on the assignment page. You can edit the weekly spellings individually by clicking on 'Details' (as mentioned above). To delete an assignment set, click on the 'sets' tab and then delete from the drop down.

Words with an /o/ sound spelled ou or ow	17. Words with a soft c spelled ce
betty	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0
bamm bamm	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0	0
Scary Spice	0	0	0	15	26	16	22	0	0	0	0	4	0	0	0	4	1

Viewing assignment results

Go to the assignment section and click 'details' next to the assignment you would like to view. You will be able to see how many times each pupil has played, the level they have played on and the percentage they got correct.

Assignment TEST SPELLING

The /s/ sound spelled c before e, i and y >

01/11/2021 00:00 - 05/11/2021 00:00

active

Pupil	Games Played	Status	Correct	Speed	Difficulty	Total Score	
betty	0	Egg (0pts)	0%	0 s	0.0000	0	View Pupil
Current score: 0pts							
bamm bamm	0	Egg (0pts)	0%	0 s	0.0000	0	View Pupil
Current score: 0pts							
Scary Spice	1	Larva (360pts)	89%	11.11 s	4.0000	221,584	View Pupil
Current score: 360pts							

The assignment status will change, based on the highest points they have scored on the assignment. They are created as described below. To get the highest status (Royal Bee) a child would need to play on extreme level five times with no mistakes.

N.B. Status is a rank based on the difficulty and percentage correct for the most recent five games.

5 x Extreme (level 4) x 100% = 2,000pts max.

Opts = Egg, 200pts = Larva, 500pts = Drone, 1,000pts = Worker Bee, 1,500pts = Soldier Bee, 1,960pts = Royal Bee.

Creating your own list

Click on 'Spelling Shed' then click on 'Word Lists'. This will take you to the spelling scheme lists and the lists you have already created.

The screenshot shows the Spelling Shed interface. At the top, there's a yellow header with 'SPELLING SHED'. Below it, a grey bar indicates 'Active: Edshed School (#8) ADMIN' and a 'Switch Account' button. The main content area is divided into two panels. The left panel, titled 'Account Home', shows a sidebar with 'Phonics Shed', 'Spelling Shed', 'MathShed', 'QUIZSHED', and 'LITERACY SHED'. The right panel, titled 'Spelling Shed', has a navigation bar with 'Scheme', 'System', 'Data', 'Word Lists' (highlighted with a black arrow), 'SPaG', 'Diagnostics', 'Writing Scanner', and 'Help'. Below this, the 'Word Lists' section has a '+ Create List' button and a 'Search' button. A table lists existing lists:

List ↑	Code	Stage	Language	Rating	
DEMO	SCPHDYM	Phonics	🇬🇧	★ ★ ★ ★ ★	Details ▾
6 Words					
DEMO	SRLMSIQ	Phonics	🇬🇧	★ ★ ★ ★ ★	Details ▾

Click on 'Create List'.

*All spelling lists can be found on this page.

Give the list a name and type in the spellings you wish to include. The 'Phonics' toggle gives you the option to have the letters sounded out on the keyboard, rather than letter names, when the list is played by the pupils. Click on 'Save' when you have finished.

The 'Add List' form is shown with the following fields and options:

- Title *: A text input field with the placeholder 'Name'.
- Phonics *: A toggle switch set to 'No'.
- Words: A text area with the instruction 'N.B. Words will be split by commas and new lines.'
- Locale *: A dropdown menu set to 'GB British English'.
- Buttons: 'Close' and 'Save'.

The 'Add List' form is shown with the following fields and options:

- Title *: A text input field containing '11.7.21 Big Strides Autumn 1'.
- Phonics *: A toggle switch set to 'No'.
- Words: A text area containing the words 'never', 'character', and 'bear' on separate lines, with the instruction 'N.B. Words will be split by commas and new lines.'
- Locale *: A dropdown menu set to 'GB British English'.
- Buttons: 'Close' and 'Save' (with a black arrow pointing to it).

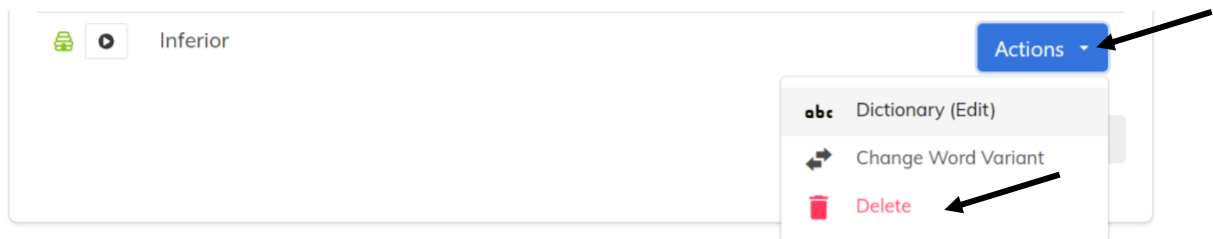

This will take you to the list. Spelling Shed will add a definition for the majority of words, if not please see 'How to edit the definitions of words'.

If you wish to add another word to your list, click '+ Add Word'.

11.7.21 Big Strides Autumn 1 .GB

To delete a word from the list, click on 'Actions' and then 'Delete'.

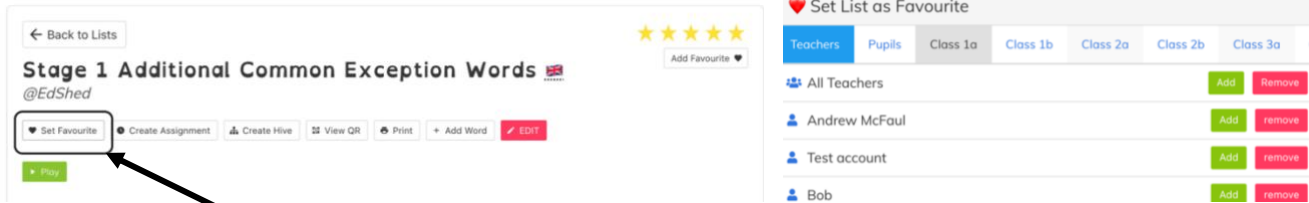

To assign your list to a child, click on 'Create Assignment'. You will need to follow the same steps as mentioned above.

11.7.21 Big Strides Autumn 1 .GB

How to 'favourite' a list

Favouriting a list allows you to share it with other teachers or pupils. Pupils can then play the list you have set. When you have a word list open click, 'Set Favourite'. Then select the

teachers or pupils you wish to share it with.

How to edit the definition of a word

Spelling Shed will add a definition for the majority of words in a list, like below.

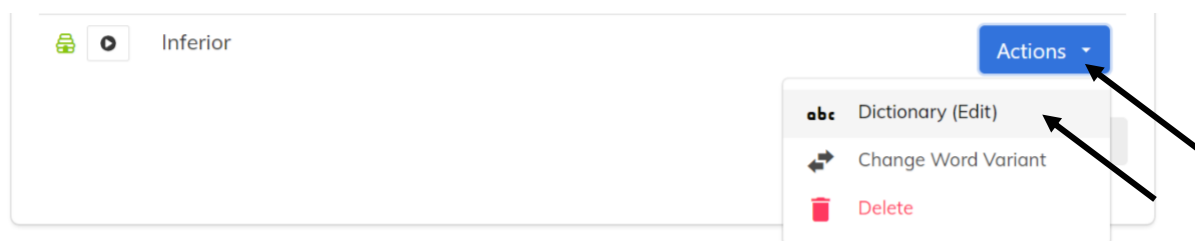

11.7.21 Big Strides Autumn 1 GB

Set Favourite Create Assignment Create Hive View QR Print Add Word

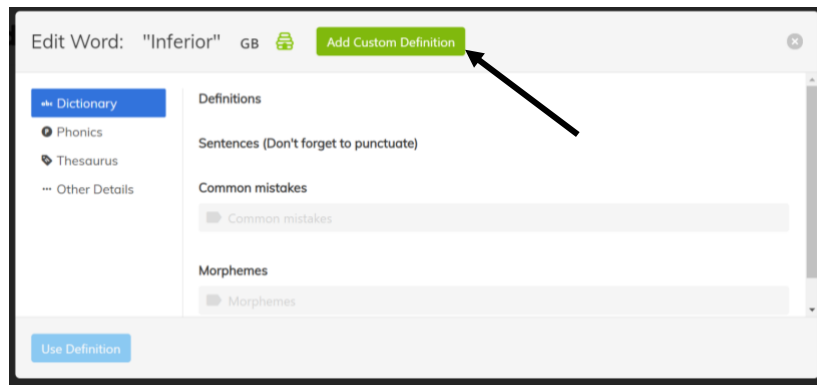

Play

Word	Definitions	Sentences	Actions
never	adverbs not at any time; not in any way	I have never been to the zoo. Humans have never visited any other planets. My cat never listens.	Actions
character	nouns a person in a story, book, film or play nouns the qualities and features that make a person or place special	Jose's favourite character was not in the second book. Danu would only watch the	Actions

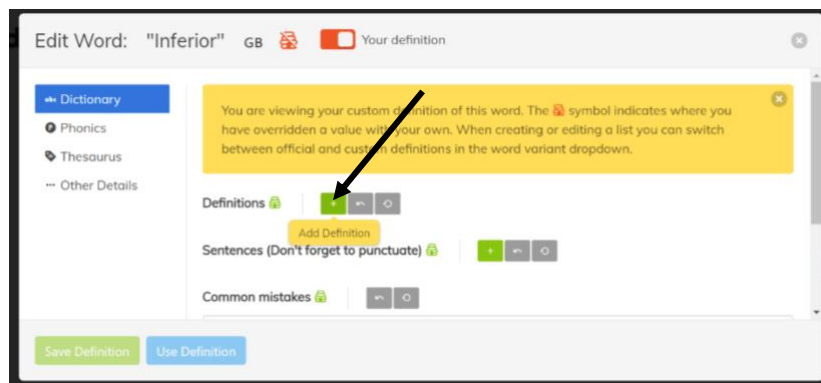

If the word does not have a definition, you can add one yourself clicking on 'Actions'. Then select 'Dictionary (Edit)'.

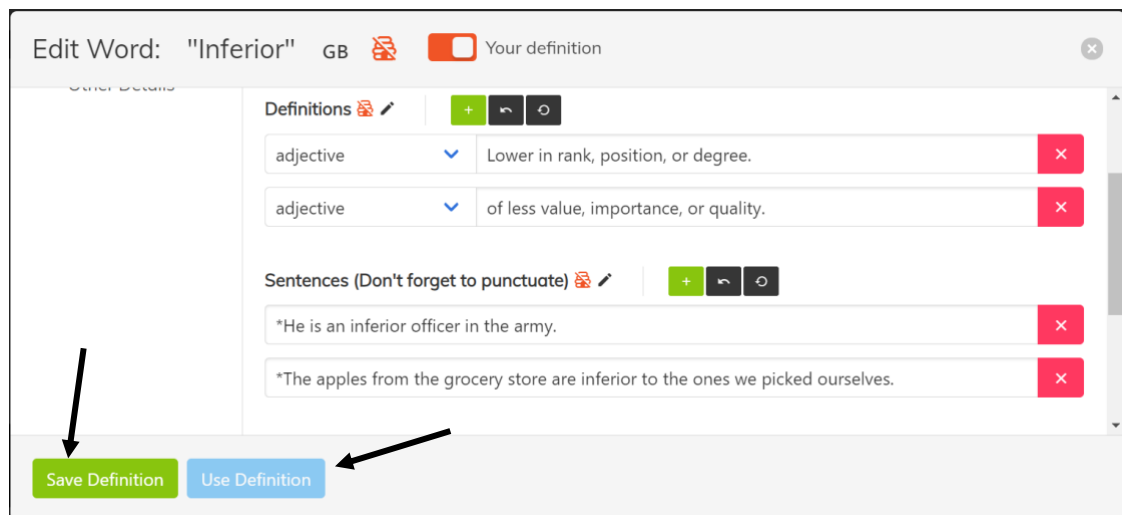

Click on 'Add Custom Definition'.

Select the '+' next to Definitions'. You can also add sentences using the word by clicking '+'.

Click on 'Save Definition'. This will most likely shut this window down. Click on 'Actions' again and then select 'Use Definition'.

The word will be updated to include the definition.

Inferior

adjective

Lower in rank, position, or degree.

adjective

of less value, importance, or quality.

Inferior He is an inferior officer in the army.

Inferior The apples from the grocery store are inferior to the ones we picked ourselves.

Actions ▾

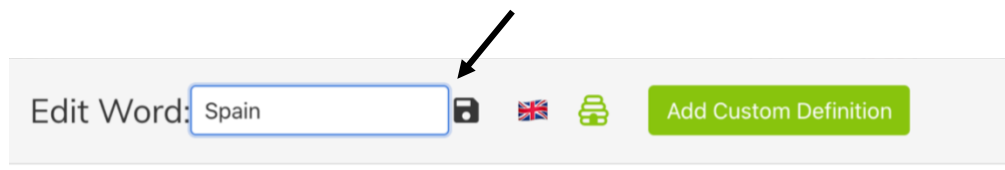

Editing phonics information

To edit the way the word is broken down, select 'phonics' in the menu on the left.

Then split the word into phonemes. Type them in to the text box and select the correct sound from the drop down menu. You can play these by clicking the play symbol.

Editing words to include a capital letter

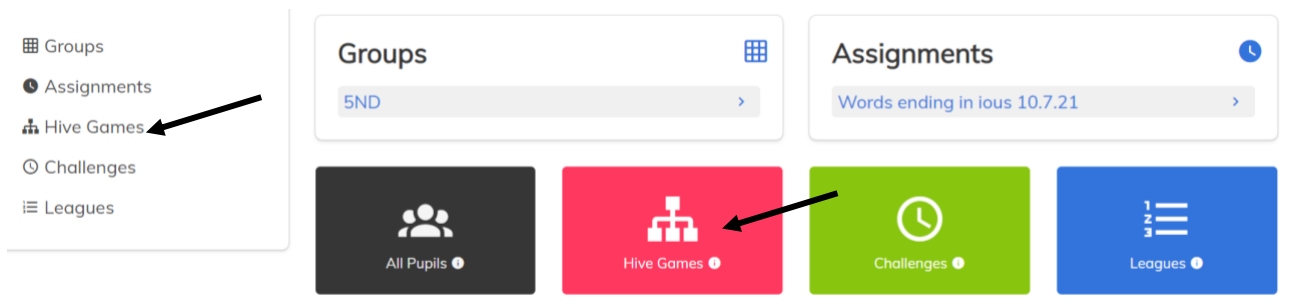

If you need a name to have a capital letter, click the pencil icon next to the word, edit it in the box and click the floppy disk icon to save.

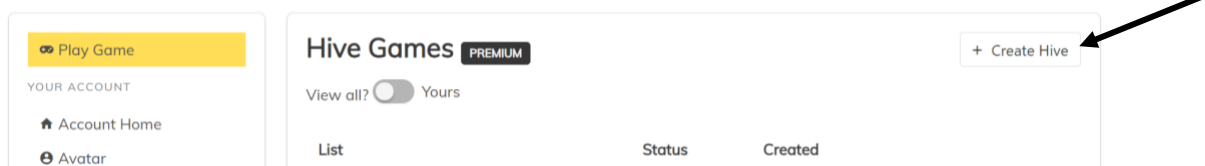

Hive Games

Hive games are interactive spelling checks where children are given the same spellings at the same time as each other, as they would in a spelling test. Hive games are played live so if someone joins the game late, they will miss the words at the start of the game. To join a hive game, you need a code.

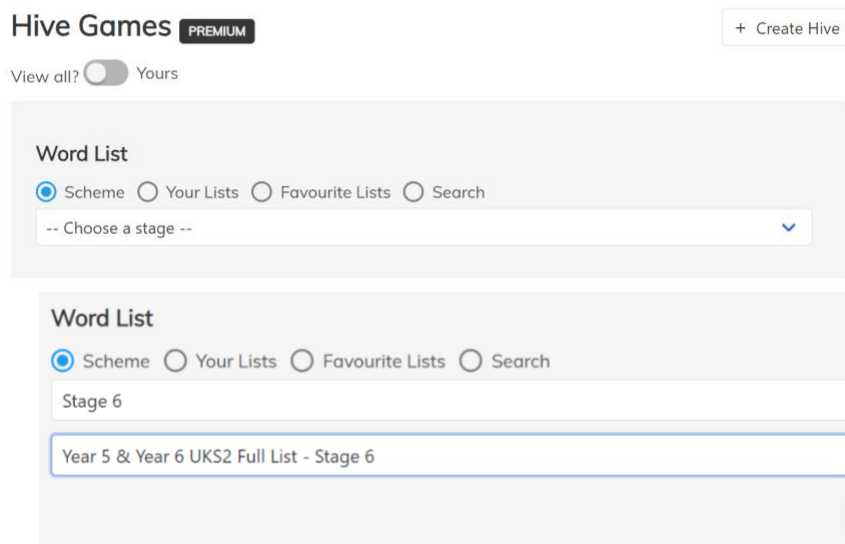

Select 'Hive Games' from the menu on the left hand side or select the 'Hive Games' option on the 'Account Home' page.

Click on '+ Create Hive'.

Select a list from the scheme or use one of your own lists.

Click 'Play'.

Check the settings and make any adjustments that you wish to make. Then select 'Create Game'.

Class Spelling Data

To view the data for a whole class/group, select 'Groups' on the left side or from the 'Account Home' page.

Scroll down and select 'Spelling Data'.

Competency

To see the 'Competence' for your class, select your stage.

Competence

[Scheme](#) [History](#)

Choose a stage to view competence scores for our scheme lists.

The numbers and colour bands relate to assignment ranks and are based on the accuracy and difficulty for the most recent five gameplays, normalised to 100. The scores are calculated for any plays of any word in those lists so if words appear in multiple lists, low (red) scores may appear for separate lists, which is common on Revision word lists.

Choose a stage

You will be shown a competency grid which shows all of the objectives covered over the year. You may notice that objectives that haven't been taught have a low score. This could be because a word appears in more than one spelling list. It is RAG rated to show the children's competency.

Individual Spelling Data

After you have selected your class in groups, stay on the 'Pupils' tab. This will show all of the children in your class. You can also access your children on 'All Pupils'. Click on the pupil you wish to look at.

Pupil	Name	Spelling Shed Score ↓	MathShed Score	QuizShed Score
 @scarys	Scary Spice Ray Geronimo	326,842	0	0
 @sandy6	sandy Micky Konger	0	0	0

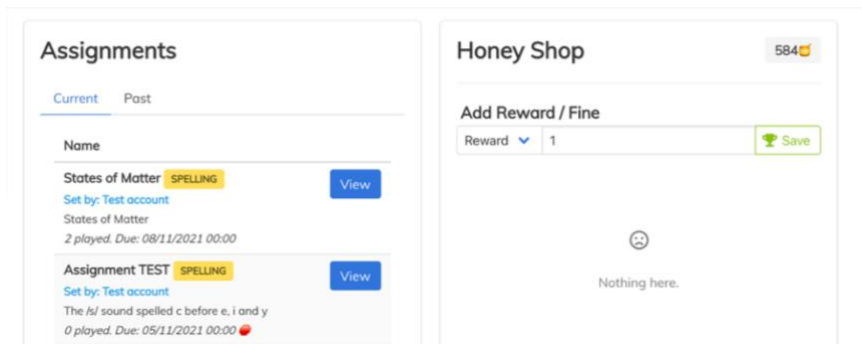

Once you have clicked on a child, you will be taken to the 'Pupil Setup' tab. You can access the child's password, change password, add or deduct honey pots and see the child's score.

Select the Stage > Topic > Lesson.

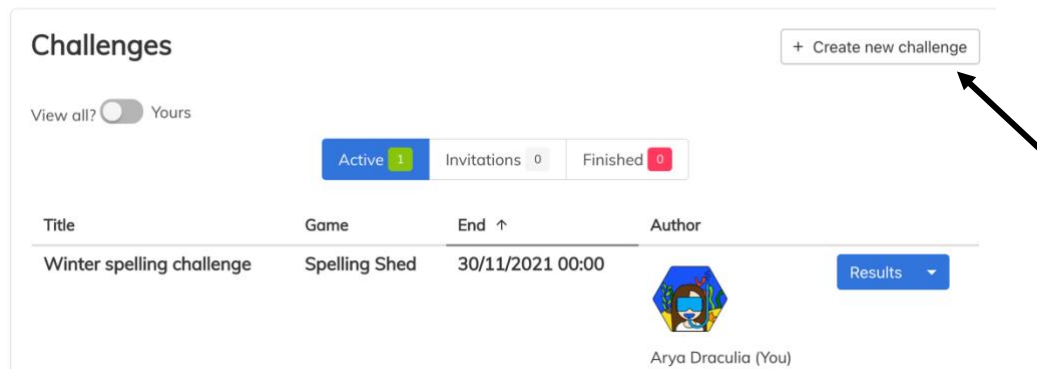

Then edit the options for this assignment and go on to add pupils and teachers as normal.

How to Create a Challenge

Challenges are a good motivational tool and can be used to have competitions within the school. First go to 'Challenges' in the menu and click 'Create new challenge'.

Give your challenge a title, an end date and how you want it to be scored. Click 'next' and choose the list you want this challenge to be based on. Click 'next' and finally add the players.

This is the 'Set Challenge' step of the 'Create Challenge' process. It includes a title field with 'Winter Challenge', a game selection with 'Spelling Shed' selected, a type selection with 'Games Played' selected, and an end date calendar set to November 2, 2021. A 'NEXT' button is at the bottom right.

This is the 'Choose List' step of the 'Create Challenge' process. It shows the 'Word List' section with 'Your Lists' selected. A dropdown menu shows 'The // sound spelled -dge'. A 'NEXT' button is at the bottom right.

You can add whole groups so classes or spelling groups can compete against each other. Alternatively, you can select individuals to compete against each other.

See below for what the results look like for the Challenge I have created.

The 'Create Challenge' interface shows a three-step process: Set Challenge, Choose List, and Add Groups. The 'Add Groups' step is active, showing a list of groups with checkboxes for selection. The 'Groups (2)' tab is selected, and 'Class 1a' and 'Class 1b' are checked. The 'Include Teachers' checkbox is unchecked. A green 'Create Challenge' button is at the bottom right.

Create Challenge ✓

The 'Winter Challenge' results page shows a table with two columns: 'Name' and 'Games Played'. The table lists two groups: 'Class 1b' and 'Class 1a', both with 0 games played. The page includes a 'List' dropdown set to 'The /j/ sound spelled -dge' and a 'Period' dropdown set to '02/11/2021 16:50 - 25/11/2021 00:00'. A pagination bar at the bottom shows '1' as the current page.

Winter Challenge

List: The /j/ sound spelled -dge Period: 02/11/2021 16:50 - 25/11/2021 00:00

	Name	Games Played
1.	Class 1b	0
2.	Class 1a	0

Leagues

Leagues show how pupils are getting on based on their Shed Score (see info on scoring for how this is generated). You can exclude groups from leagues by unticking this box on the group page.

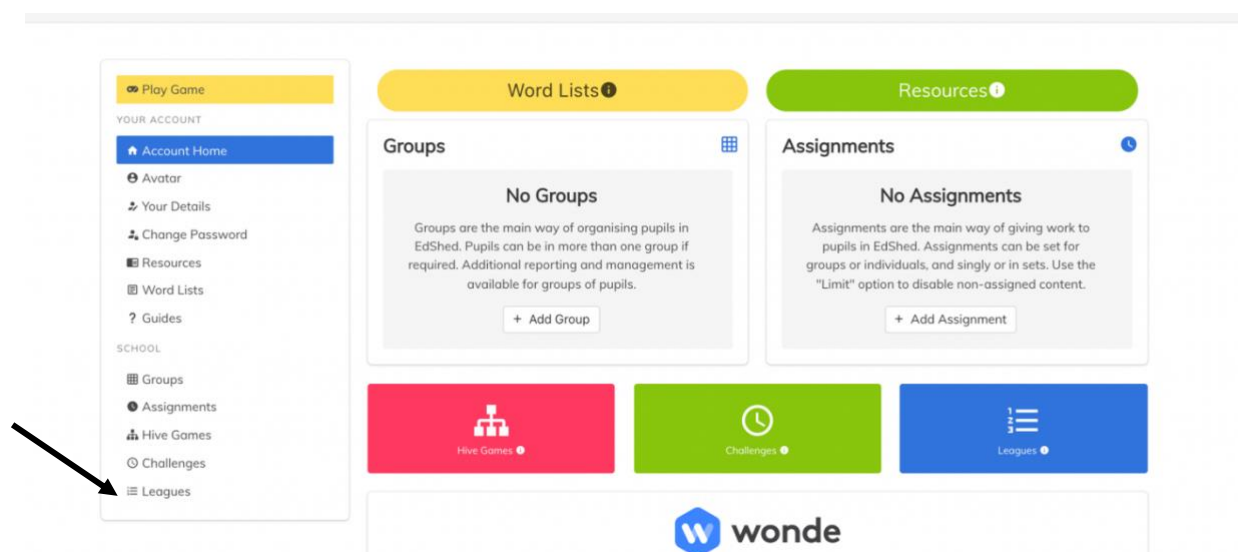

Pupil Groups				+ Add Group	
Name	Pupils	Teachers	Leagues		
1. Spelling group	3	1	☐		Details
Class 1a	5	1	☒		Details

How to create a Custom League

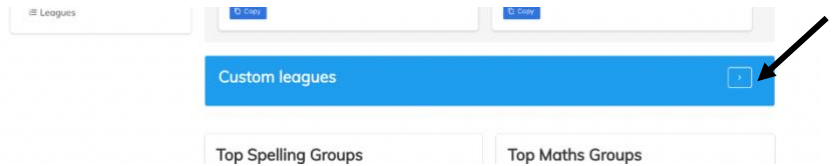

Custom leagues are used to see data from a chosen group of pupils. This can include pupils from multiple groups or classes and even teachers.

Custom leagues can be based on their scores, amount of games played or total number of correct answers they have given.

Go to the leagues page from the menu on the EdShed homepage, scroll down and click on custom leagues.

Click on the '>' button to go to the custom league page. Then click on 'Create Custom League' on the next page.

Fill in the details and select the options you want. Click 'preview' and then click 'save'. You can select a spelling list or leave blank to use any word list.

 A screenshot of the 'Custom Leagues' page. At the top left is the title 'Custom Leagues' with a 'PREMIUM' badge. To the right is a '+ Create Custom League' button, indicated by a black arrow. Below the title are three status buttons: 'Active' (0), 'Pending' (0), and 'Finished' (0). A teal bar labeled 'Custom League' with a close icon is below. The main form has two tabs: 'Criteria' (active) and 'Preview' (indicated by a black arrow). The 'Criteria' tab contains:

- Title: 'Term 2 League' (in a text box)
- Start Date: '03/11/2021 00:00' (with a calendar icon)
- End Date: '30/11/2021 00:00' (with a calendar icon)
- Target: Radio buttons for 'School - Pupils', 'School - Groups', and 'Group - Pupils' (selected).
- Group: A dropdown menu showing 'Class 1b'.
- Include: Checkboxes for 'Pupils' (checked) and 'Teachers' (checked).
- Show in Game?: A checkbox for 'Hide'.
- Word List: Radio buttons for 'Scheme' (selected), 'Your Lists', 'Favourite Lists', and 'Search'. Below is a dropdown menu showing '-- Choose a stage --'.
- Any word list: A text input field.
- Type: Radio buttons for 'Total Points' (selected), 'Correct Answers', and 'Games Played'.

 At the bottom right of the form is a 'Preview' button.

Scoring

We have several different ways of scoring on Spelling Shed:

Shed Score

This is the main score used for leagues and is the total score from the past seven days. This may go down as well as up. It is rolling total which is calculated live, and the score is stored after each game play. For example, if you earned 30 million points on Wednesday, the following Tuesday those points would be included in the Shed Score but on Wednesday, those points are now more than seven days old, so they stop being included in the score.

Your highest score

This is the highest score you have earned from one game.

Your total score

This is your total score to date.

Honeypots

This is the currency within the game and can be used to buy accessories for your avatar.
