

English

Writing – Letter writing

Speaking and listening – Debate

Class Novel – The Butterfly Lion/ Meerkat Mail

- **Punctuation and Grammar** – Proof read spelling and punctuation, Using conjunctions e.g. when, so, before, after, while and because, possessive apostrophes, paragraphs, speech marks ,subheadings,
- **Handwriting** - Use the diagonal and horizontal strokes needed to join letters and understand which letters when next to one another are best left un-joined
- **Inference / Comprehension** - To listen to and discuss a wide range of fiction poetry, plays, non-fiction and reference/text books. Reading a variety of books that are structured in different way and for a range of purposes. Inferring characters feelings and motives for their actions - justifying inferences with evidence. Prepare poems and plays to perform and recognise some forms of poetry.

Music

Bolton Music Service -
Violins

RE

Christianity and Islam
The Easter Story

SPRING TERM 2
An African Adventure

Geography

Describe and understand key aspects of physical geography, including: climate zones and biomes and vegetation

PSCHE

Healthy Me

PE

African Dance

Science

Animals

- I can describe and explain the skeletal system of a human
- I can describe and explain the muscular system of a human
- I can describe the purpose of a skeleton in humans and animals

D.T

To create a moving book character.

Maths

- count up and down in tenths; recognise that tenths arise from dividing an object into 10 equal parts and in dividing one-digit numbers or quantities by 10
- recognise, find and write fractions of a discrete set of objects: unit fractions and non-unit fractions with small denominators
- recognise and use fractions as numbers: unit fractions and non-unit fractions with small denominators
- recognise and show, using diagrams, equivalent fractions with small denominators
- add and subtract fractions with the same denominator within one whole [for example, $\frac{5}{7} + \frac{1}{7} = \frac{6}{7}$]
- compare and order unit fractions, and fractions with the same denominators
- solve problems that involve all of the above
- recognise angles as a property of shape or a description of a turn
- identify right angles, recognise that 2 right angles make a half-turn, 3 make three-quarters of a turn and 4 a complete turn; identify whether angles are greater than or less than a right angle

Computing

Using computer

I can make choices on which program is best for a given task
