English

drawing inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying inferences with

Assessing the effectiveness of their own and others' writing and proposing changes to vocabulary, grammar and punctuation to

## Maths – Fractions, Decimals and Percentages

- recognise and use thousandths and relate them to tenths, hundredths and decimal equivalents
- compare and order fractions whose denominators are all multiples of the same number
- read, write, order and compare numbers with up to three decimal places
- round decimals with two decimal places to the nearest whole number and to one decimal place
- add and subtract fractions with the same denominator and multiples of the same number
- recognise mixed numbers and improper fractions and convert from one form to the other and write mathematical statements
- identify, name and write equivalent fractions of a given fraction, represented visually, including tenths and hundredths
- read and write decimal numbers as fractions (e.g. 0.71 = /71/100)
- recognise and use thousandths and relate them to tenths, hundredths and decimal equivalents
- recognise the per cent symbol (%) and understand that per cent relates to "number of parts per hundred", and write percentages as a fraction with denominator 100 as a decimal fraction
- multiply proper fractions and mixed numbers by whole numbers, supported by materials and ٠ diagrams
- solve problems involving numbers up to three decimal places
- solve problems which require knowing percentage and decimal equivalence .

## Science

#### Earth and Space

- I will describe and explain the movement of the Earth and other planets relative to the Sun.
- I will describe and explain the movement of the Moon relative to the Farth.
- I will explain and demonstrate how night and day are created.
- I will describe the Sun, Earth and Moon (using the term spherical).

# Drawing and sketching skills

Art

- I know how to successfully draw from observation
- I know how to select a suitable area from my previous house drawing using cropping
- methods I know the work of Hundertwasser and
- can recognise it I know how to use my
- stamp to create prints
- I know how to design a building based on an architectural style
- I know how to design a building based on a theme or to suit a specified purpose
- I understand the purpose of a monument I know what a legacy is

# **SPRING TERM 1** WHO LET THE GODS OUT?

Writing – Myths and Legends

enhance effects and clarify meaning

speak audibly and fluently with an increasing command of Standard English

participate in discussions, presentations, performances, roleplay/improvisations, and debates

PSHE Dreams & Goals (JIGSAW Scheme)

French Family Tree Ma famille

## Ancient Greece

- •I can place the Ancient Greek civilisation on a timeline (in relation to other periods studied)
- •I know the Ancient Greek civilisation was 2.500 years ago
- •I know that the Ancient Greeks were an advanced civilization
- •I know what a city state was in ancient Greek times
- •I know the main differences between Athens and Sparta

•I can recall the main characters and events of a key ancient Greek Battle

•I know that historical artefacts help us to learn about what life was like in Ancient Greece

•I know that Ancient Greeks believed in a number of Gods

•I know some facts about some Ancient Greek gods and know some features of Greek myths

•I know that the Ancient Greeks were responsible for starting the Olympic movement.

•I know that Ancient Greeks have been associated with the birth of democracy.
